Copier-

- There are 2 years left on the copier lease. Cathy is waiting to hear back from the company what the penalty will cost.
- Recently found out there are 2 companies to pay; one is the leasing company; the other we pay for the copies and supplies. Cathy had spoke to the latter last Wednesday.

CPR Class January 18th, 8am-12pm at Phippsburg Fire Station-

- People sign up by emailing Jula.
- Participants will pay Ben Huebler directly; cost: \$75-non-residents pay full price; Phippsburg residents pay \$50 and Rec will pay the remaining \$25. Two members felt there should be a maximum amount of participants Rec will pay for.

FREE Gingerbread House Decorating & Pizza Thursday, December 5th-

- Cathy purchased 12 houses, 10 families have signed up
- Center Store kitchen closes at 2pm; Jula spoke to Roland and he's willing to sell us our 4 pizzas. Jula will place the order-can't make it to the event due to other commitment; Cathy will pick up and pay for the pizzas.
- Amy, Cathy and Tammy will be at the event.

Free gift wrapping table-

- Jula will pick up 3 rolls of wrapping paper. Tammy will contribute some rolls of wrap, tape, and loan some scissors.

Children's Museum of Science Tickets-

- What was the price? \$10 was suggested at meeting, and agreed thru group email. Amy reiterated that in future, we need to work out the details of events/tickets during the meeting, not in texts or email. It was also pointed out it can be difficult to think of all the details in time for the flyer.

Town Hall Christmas Party December 18th at 5:30pm-

- Did they want anything from Phippsburg Rec this year? Last year, we provided 30 Fountain gift certificates for Santa to give to children.
- Tammy and maybe Amber will be at the event? Jula will pick up cider, cocoa, and Christmas cookies for the event. She will have items there, but may get there a little

late due to another commitment. Will use crock pot for the cider; could use another for the cocoa or a dispenser with hot water in it.

- Cathy has the 25 Mariner's Tickets for January 11th game against the Norfolk Admirals at 6PM. Limit 5 tickets per family. No one has called, yet.

Talked about some previous events-

- Some former events offered in older flyers: Contra Dance with Jimmy Joseph, Yoga, After School Art, Line Dance.

Some possible ideas for future events-

- How to start a sour dough bread starter
- Bread Making
- Valentine Craft

- Canning; Courtney Mixon does canning-might ask if she could do a demo
- Could put on Facebook: Looking for someone to lead a class on...
