

Rec. Meeting June 5, 2024

Present: Amy Burden, Cathy Thomas, Amber Mixon, Tammy Doran, Nichole Brazee

No Treasurer's Report.

Minott Walking Path-

- Tammy looked through all the notes she had in the binders and didn't find the cost of the granite bench listed.
- Amy was looking into benches; really need someone who could make and install them, as we really aren't equipped to do it ourselves.
- Tina Talbot had posted that the path needed some weed control work. Will likely need 2 treatments. Sprayer is in the shed. Use ZEP industrial strength vinegar. Bethany said she could put some on the path. Cathy can pick some up at Lowe's or Tractor Supply; should cost about \$10.99/gal.

Family Movie Night at Meadowbrook Campground-

- We can move ahead.
- Move time to 8PM; recent movie night at 7:30PM wasn't dark enough.
- Movie: Inside Out 2 (or Trolls, if NA)
- Campground has popcorn maker & Amber will check it, see if still works & let know. Could also purchase individual bags of popcorn or chips, capri suns, or small water bottles.
- Amber will create flyer and post on website or Facebook.

Tickets-

- Cathy ordered and is waiting for the 40 Funtown Splashtown combo tickets to come in. Will charge \$35 each; limit 5 tickets/family.
- Waiting to hear back from Aquaboggan; will order 25; usually charge \$25 each.

Copier-

- Still no resolution on them accepting payment due to TIN discrepancy. Town Hall will help resolve with the company.

Porto Potty-

- Who ordered the Porto Potty that is on the ballfield? We need to remember to conduct business with the full Rec Board during meetings, not through a couple texts.

Spraying Ballfield for Ticks-

- Bethany is still waiting to hear from Hawkes Tree Services.

Shed-

- Still need to go through the shed. Everyone is busy right now. Better for Amy and Tammy to do this summer.

Bethany-

- Bethany Mitchell texted she is stepping down from the Rec Board; life is too hectic right now. She will be at the July meeting to discuss what is needed from her. Will help when able.
- Items needed from Bethany:
 - Calendar Info
 - Porto Potty Info
 - Keys
 - Hawkes-Amber
 - Any books from Tina
 - Baseball Bases?

Brainstorm for Next Rec Flyer-

- Family Paint Night-could do at Campground during summer; not heated space & is used for storage during winter. Could Romy do the class next summer? Anna's closed August 13 last year.
- Game Night
- Trivia Night
- Crafter Event with Local Vendors
- Yoga Class: Angela Clegg moved to Richmond (or Gardiner?) and no longer does evening classes. Will need to find someone else if wish to hold a Tuesday evening yoga class October - November. Does anyone know anyone local, qualified and willing to teach 6:30-7:30PM?

Mowing-

- Everett Perkins mows the field each year; will continue until told not to. He charges a flat rate; \$1500. Usually mows 22-24 times per year and needs to be paid before end of December.

Next Meeting: July 3, 2024 at 6PM
