

Phippsburg Rec. Meeting July August 8, 2024

Present: Amy Burden, Jula Koehling, Amber Mixon, Tammy Doran

Guest: Nichole Brazee

Treasurer's Report (last month)-

- Minott Walking Path: \$21,397.32
- Rec General Account: \$7,436.65

Family Movie Night at Meadowbrook Campground-

- Had a low turnout due to heat index and predicted thunderstorms.
- Have popcorn, chips, water & juice boxes to use at Trick or Trunk

Community Calendar-

- Amber Mixon will be contact person for calendar and photo contest

Brainstorm for Next Rec Flyer-

- Yoga Class: Amber didn't hear back from anyone when posted on Facebook
- Tammy missed the Blessing of the Fleet; will need to be sure to include in next year's summer flyer
- Trick or Trunk: decided should remain at Town Hall Parking Lot (Amber had kindly offered campground), and just one contact for car sign up. Amy Burden will be contact person. Jula can participate with her vehicle. Tammy is willing to as well, if we are low on participation.
- Instead of Paint Night, Amber suggested a Sea Glass Art Night; she has a contact and will check to see if willing to do a session on Nov 12 or 19. Think she charges \$25/head; Rec could charge residents \$20/non-residents \$25. There's no water at the campground building after mid-August.
- A Frozen Pie fundraiser was proposed, but not practical if buyers don't pick up, as we have no place to store them.
- Haunted House
- Winter Wonderland
- Jail Fundraiser (like PFD did at Firemen's Field Day in past, but theirs fell apart) ~ would need to build a new "jail"
- Light Show like CMBG (Will do another Light Up the Town note; people can post the light display location on Rec Facebook page)
- Nutrition Class - Tammy will call Alison Fernald
- Red Cross Babysitters 1-day Course - Tammy will look into it. In 2021 there was a class offered at Midcoast Hospital 5:30-8PM \$50 for 10-15 yr olds; Rec paid \$25 for each Phippsburg Resident
- Marriner's Tickets next flyer?
- Family Game Night this winter. Last time had one scheduled September 4 at 6PM, had to cancel due to no one signing up. Need advance notice because we provide pizza for families during Game Night

- Send us your favorite homemade recipes was featured in the 2022 flyer; we should do that again
- Christmas Letters to Santa for reading at Selectmen's Meeting - Tammy will check with Town Hall to see if doing again this year

Phippsburg Elementary School Question-

- New Principal, Nina Willette, wondered if the Phippsburg Rec would be interested in helping with after school play activities and volunteers? Unfortunately, all the board members are working full time/NA 3-4:30PM. If any community members are interested, they should contact Nina Willette at 389-1514 as soon as possible.

Ice Cream Social-

- Thursday, September 5th at Phippsburg Elementary School - Amber and Tammy plan to help out. Julia and Nichole may be able to help, if there isn't a cheer schedule conflict. Campground has a box of cones we can use; kids would need to take them outside. Perhaps we should serve it all outside? Need to check with Cathy on amount of and flavor of ice cream needed, and list of what to get: bowls, vanilla ice cream & chocolate ice cream, toppings: bottles of chocolate syrup, caramel sauce, whipped cream? Maybe do a group chat as will need to pick up items the day after the next meeting?

Rec Field Use-

- Project Graduation has requested use of the field for their corn hole tournament fundraiser. Request granted; date of event: September 14 (rain date: September 21). Flyer will be out in 1-2 weeks.

Next Meeting: September 4, 2024 at 6PM
